This exploded view diagram illustrates the assembly of a pallet truck. The components are labeled as follows:

- 1**: A small rectangular component, likely a sensor or control unit, shown in an exploded position relative to the handle.
- 2**: A bracket or mounting plate for component 1.
- 3**: A small circular component, possibly a button or indicator light.
- 4**: A small rectangular component, likely a sensor or control unit, shown in an exploded position relative to the handle.
- 5**: A carrying case or toolbox for the device.
- 6**: A cable with multiple connectors, likely for charging or data transfer.
- 7**: A cable with multiple connectors, likely for charging or data transfer.
- 8**: A small rectangular component, likely a sensor or control unit, shown in an exploded position relative to the handle.
- 9**: A small rectangular component, likely a sensor or control unit, shown in an exploded position relative to the handle.
- 10**: A power source or battery pack with a cable.
